Should I assume we aren't proceeding on Monday? Thursday starting at 10 am would be best for this coming week. The week of November 8th is good except for Tuesday, November 9th. I know discovery closes November 8th. We could ask for another brief agreed extension of 2 weeks. My only concern for these depositions is if other names show up that neither side contemplated deposing. I can say that, at this point, we don't know of anyone else with relevant information, but I don't know what these documents contain yet.

Ken,

I reached out to their counsel to see if they have any other availability this coming week. I will let you know what I hear.

Thanks,
Henry

Henry,

I just downloaded over 18,000 pages of documents from Lindsay Winkler. I will not be able to review that volume of documents in advance of a deposition one business day from now, Monday. I will be in mediation most of today.

I think we should reschedule these depositions to allow us time to review the documents.

Ken
